

# Bring out the best in your team

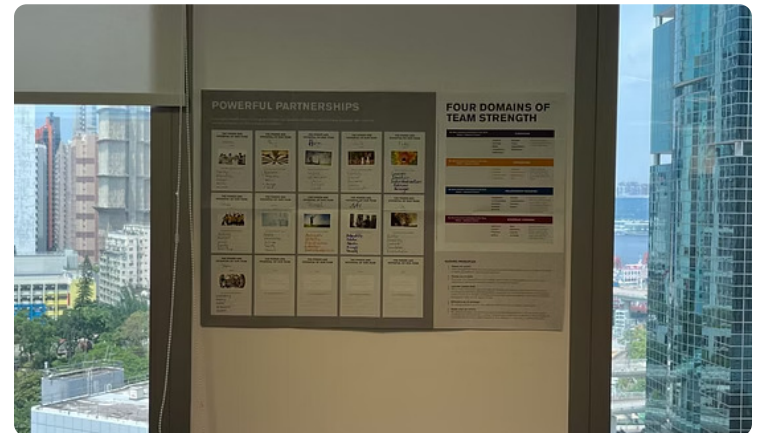

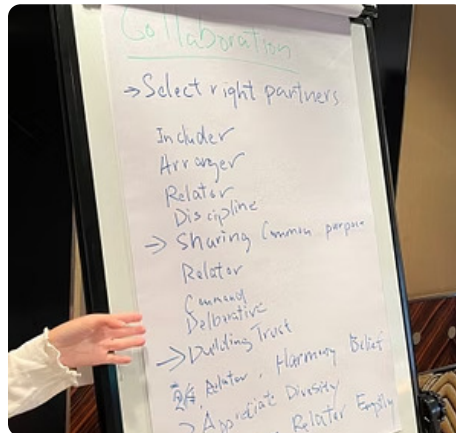

Recognize strengths in each other, Spot powerful opportunities together,  
Operate as a one strong team.

# How We Bring Out The Best in Your Team?

## After the workshop:

Craft your own suitable Strengths-Based Team model to boost your performance!

## What is CliftonStrengths?

CliftonStrengths, developed by Donald Clifton, uses a set of questions to reveal your innate ways of thinking, feeling, and behaving, highlighting areas where you excel and potential blind spots.

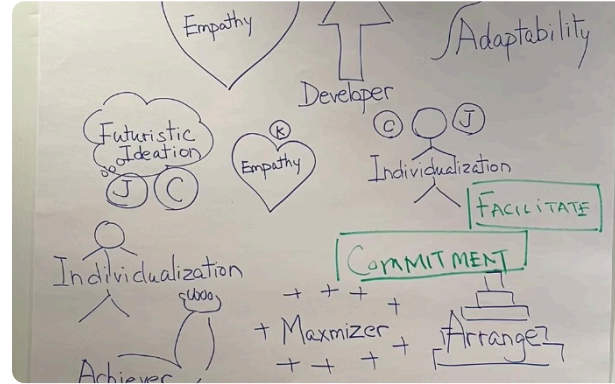

Call us today for a sample of personalized people manager, salesperson, and individual reports, plus team strengths results.

# Participant Success Stories

## Turning Negative Feedback Around

"I can finally understand why I have been receiving negative feedback on my communication style. Now I know how I can turn this around."

## Increased Productivity

"I can immediately see how my strengths increase my productivity, and I would certainly recommend Ascension Associates."

- Chief Agency Officer, Kuala Lumpur, Malaysia

## Get to know my team more effectively

"I can understand better why team members react in a certain way and we can collaborate more smoothly."

- Sales Manager, Medical Device Firm, Hong Kong
